always enjoyable for the essential frisson of recognition they provide these stories call
us to witness the subtle nuances of our own experiences publishers weekly

the first of a five volume set collecting all of Hodgson's published fiction each
volume contains one of Hodgson's novels along with a selection of thematically linked
short fiction

girls series fiction and American popular culture examines the ways in which young
female heroines in American series fiction have undergone dramatic changes in the
past 150 years changes which have both reflected and modeled standards of
behavior for America's tweens and teen girls though series books are often derided
for lacking in imagination and literary potency that the majority of American girls
have been exposed to girls series in some form whether through books television or
other media suggests that this genre needs to be studied further and that the
development of the heroines that girls read about have created an impact that is
worthy of a fresh critical lens thus this collection explores how series books have
influenced and shaped popular American culture and in doing so girls everyday
experiences from the mid nineteenth century until now the collection interrogates the
cultural work that is performed through the series genre contemplating the messages
these books relay about subjects including race class gender education family
romance and friendship and it examines the trajectory of girl fiction within such
contexts as material culture geopolitics socioeconomics and feminism

this thorough treatment of collection development for school library educators students and practicing school librarians provides quick access to information this seventh edition of the collection program in schools is updated in several key areas it provides an overview of key education trends affecting school library collections such as digital textbooks instructional improvement systems stem priorities and open education resource oer use and reuse topics of discussion include the new aasl standards as they relate to the collection the idea of crowd sourcing in collection development and current trends in the school library profession such as future ready libraries and new standards from the national board for professional teaching standards each chapter has been updated and revised with new material and particular emphasis is placed on disaster preparedness and response as they pertain to policies circulation preservation and moving or closing a collection this edition also includes updates to review of curation and community analysis principles as they affect the development of the library collection
